*My prayer to God:*

“Almighty Father of the Heaven and the Earth, Creator of Human beings and Universe, I believe on YOUR supernatural LOVE towards every creature and its existence. Yours unconditional LOVE taught us to love the each other and especially our children. We thank YOU for YOUR providence in reaching out the needy during emergency COVID-19. Oh! God, bless the kind hearts those who supported us financially, morally and technically. Let hunger fed, let innocents protected, let our human errors not be repeated and let CORONA VIRUS vanishes from the earth. Continue to Bless YOUR children forever. Amen.”
